### Edwards on racing at Lowe’s Motor Speedway:

"The points race is really close going into Charlotte race weekend and there couldn't be a better place to close the gap. We have run really well there in the past and my Scotts Miracle-Gro team is ready. We have been working hard on our mile and a half program, so it should be a fun race."

### Crew chief Dan Stillman on racing at Lowe’s Motor Speedway:

"We are taking our Scotts Miracle-Gro Ford Fusion to Charlotte looking to make a major move in the point standings. Kyle has had some great runs this year, but we have to out-race that team every weekend in order to win a championship. Our pit crew has been really consistent lately and our cars have been among the elite in the field. It's time to get back in victory lane and this weekend at Charlotte would be a great place to start."
